

New Oceania Gymnastics Union Website Launched

The [Oceania Gymnastics Union](#) (OGU) is very proud to announce the launch of our [new website](#), which coincides with the recent formation of our union.

Features of our [new Oceania Gymnastics Union website](#) include:

Fresh Design

The Oceania Gymnastics Union website has been revamped with a fresh new design which shows the excitement of Gymnastics in the Oceania region.

Optimised for all devices

All content on the new website can be viewed on any device including mobiles and tablets.

Easy Navigation

It is now possible to find all the information you need on the Oceania Gymnastics Union within a few clicks.

Dynamic Calendars

The Education and Event Calendars are now in a dynamic format and categorized to easily find upcoming event and education dates. These calendars can now also be viewed as a list or as a traditional calendar.

Provides all Oceania Gymnastics Union Country Federations with a web presence

The new OGU website provides sub sites for all Oceania Gymnastics Country Federation who do not have their own dedicated website. To view a Country Federation's website, please either use the Countries header or scroll down the OGU page to select one of the federation flags.

Social Media Integration

OGU Social Media including Facebook and Twitter is easily accessed via the Social Media icons located in the top right-hand corner and the footer of the page. There are also imbedded social media feeds that have been added to the front page.

If you wish to provide any feedback about the new website, please get in [touch with us](#).
