Papua New Guinea Gymnastics Federation

Papua New Guinea Gymnastics Federation (PNGGF) is the official governing body for Gymnastics in Papua New Guinea. Established in May 2018, PNGGF has a focus on growing gymnastics in the community with our local Schools Program (LSP) - promoting gymnastics activities in schools through PE teacher coach training, lesson support materials and equipment sharing among PNGGF Members.

PNGGF is recognised as an affiliated member of the International Gymnastics Federation (FIG), Oceania Gymnastics Union (OGU) and the Papua New Guinea Olympic Committee. PNGGF is an Incorporated Association in Papua new Guinea under the Associations Incorporation Act.

With a Vision: We inspire and support excellence with strong leadership, PNGGF’s mission is “To significantly increase Gymnastics participation for all. To promote and support ongoing skills and educational opportunities for athletes, coaches and officials. To introduce national competition performance opportunities for athletes to represent PNG at the International level.” Our Values are: Healthy Activity / Respect / Discipline / Excellence / Fun / Honesty.

The PNGGF has a sound Development Plan and Strategic Plan in place. The Board meets bi-monthly, has strong leadership and support from the Board and its Members and the PNG sports community.
